About TeamViewer:

As a leading global remote connectivity platform, TeamViewer empowers users to connect anyone, anything, anywhere, anytime. The company offers secure remote access, support, control and collaboration capabilities for online endpoints of any kind and supports businesses of all sizes to tap into their full digital potential. TeamViewer has been activated on more than 2 billion devices; up to 45 million devices are online concurrently. Founded in 2005 in Göppingen, Germany, the company employs around 800 people in offices across Europe, the US, and Asia Pacific.
