

TeamViewer's Commitment

Focus SDGs

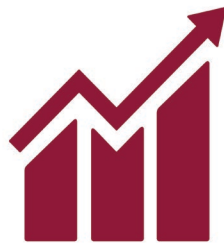

4 QUALITY EDUCATION

Deeply convinced that a quality education underpins a range of fundamental development drivers, TeamViewer is committed to contributing towards assuring equal access to education and training (4.3.1), to increase the proportion of youth and adults with information and communication technology (ICT) skills (4.4.1). Additionally TeamViewer emphasizes its commitment to support the educational sector by the free usage of its technology in specific campaigns.

Aligned with the SDG 8.5.1, 8.6.1, 8.7.1, 8.8.2, and 8.B.1 TeamViewer insures our employee's full access to their labor rights while promoting secure and healthy working environment for all workers. At the same time, we exclude and strongly condemn any unlawful practices, such as exploitation of child labor and unequal labor-pay, based on discriminative indicators such as gender, nationality, age (and others).

8 DECENT WORK AND ECONOMIC GROWTH

5 GENDER EQUALITY

TeamViewer is strongly committed to fulfill organization's gender equality targets by ensuring full participation of women in leadership and decisions-making (5.5.2) and empowering women through technology (5.B.1).

9 INDUSTRY, INNOVATION AND INFRASTRUCTURE

TeamViewer takes active ownership of SDG 9.5, A.1 and B.1 by developing technology, essential to reduce the necessity of physical travel. We provide all time remote access and control to every kind of device, thus, enabling people to work from home while reducing their carbon footprint.

It is our sincere conviction that companies around the globe should adopt sustainable practices and reporting (12.6.1), promote sustainable procurement procedures (12.7.1) and take active steps to substantially reduce their carbon footprint through prevention, reduction, and recycling practices.

12 RESPONSIBLE CONSUMPTION AND PRODUCTION

13 CLIMATE ACTION

We believe in the power of education (13.3.1) in order to raise awareness about the climate change among all our stakeholders, including our employees and customers. We are also committed to jointly build capacities (13.3.2) to implement adaptation, mitigation and development actions.

10 REDUCED INEQUALITIES

As the employer of choice for talents from more than 70 nationalities, TeamViewer is deeply convinced of the urgency to empower and promote social, economic and political inclusion, irrespective of age, sex, disability, race, ethnicity, origin, religion, economic or social or other status. (10.2.1, 10.3.1)

17 PARTNERSHIPS FOR THE GOALS

We promote regional and international cooperation on and access to science, technology and innovation through partnerships between governments, the private sector and civil society. (17.3.1, 17.6)
